Dear Sir:

Assignee of the above-identified application, NewSouth Innovations Pty Limited, an Australian corporation, through its undersigned counsel, desires to voluntarily withdraw its request for small entity status in this application.

A government surcharge of \$65.00 was submitted on a small entity basis on February 15, 2007 in response to the Notification of Missing Requirements Under 35 U.S.C. 371.

On information and belief, this application was and still is entitled to small entity status. However, undersigned counsel has been informed that the assignee of this application has adopted a practice of not claiming small entity status for its U.S. applications.
